Empowering YOUTH THROUGH BASEBALL SOFTBALL & EDUCATION

Who We Are

Project Béisbol looks to bridge the gap between the United States and Latin America by instilling the values learned in the game of baseball into the organization's programming. We aim to assist in the development of young boys and girls by providing them with lessons in teamwork, discipline, perseverance, and the value of learning. Our team is a diverse fusion of seasoned professionals in a variety of fields, young student athletes, former MLB players, and socially conscious individuals around the world. The volunteer culture has driven our organization for 16 years and will continue as we enter the next phase of expansion.

Partnership Opportunities

Project Béisbol is in a position to grow! The organization now provides innovative programs across Latin America in Colombia, Brazil, and Mexico. In order to expand this important programming to youth across the hemisphere, partners that understand and align with the mission of Project Béisbol are vital. There are a variety of ways to become a part of Project Béisbol:

Event Sponsor

Project Béisbol hosts several fundraising events each year, and becoming a sponsor is a great way to introduce yourself or your organization to the PB world.

\$1,000 - \$10,000

Equipment Donation

Project Béisbol is always in need of equipment for use in our baseball & softball programming. Any donation of new or used equipment is welcome.

\$50 - \$5,000 (In-kind)

Player Sponsor

There are few more powerful feelings than seeing the player that you sponsored grow into a young adult.

\$150/year

Team Sponsor

Bring a group of young adults together by sponsoring a team, and help them accomplish their goals as a team by providing the necessary equipment, uniforms, and travel funds needed to play together as a team.

\$1,500/year

Program Sponsor

Our programming is expanding as we serve more children of different ages and in different locales and situations. Sponsoring a new or expanding program is a fantastic way of becoming part of Project Béisbol.

\$2,500 - \$10,000

Operations Donation

Like any non-profit organization, Project Béisbol's greatest cost lies in operations. Donations are vitally important to ensure that the organization can operate at 100% for the kids and communities we serve.

\$50 - \$10,000

Capital Sponsor

Project Béisbol is looking to develop new fields and program facilities in all operating countries. There is no better way to help than to assist in the development of a namesake field or building.

\$50,000 - \$200,000

Project Béisbol provides vital programming and inspiration for the children of Colombia, Brazil, Mexico, and Venezuelan refugees across the region. **We are grateful for any donation you might be willing to give.**
